

99s: Women Pilots of Eastern New England

Successful Zoom Meeting April 11

More Meetings Scheduled

Eighteen members attended the Zoom meeting this morning. It was wonderful to reconnect in this time of social isolation and share stories of how we all are coping.

This was NOT a formal meeting, although a couple of business items did come up.

The purpose of today's meeting and the future meetings described below is social, to allow us to keep in touch. So drop in on one or more meetings and say "Hello" and share your stories.

Lauren Lee is inviting you to a scheduled Zoom meeting.

Sad News

I would like to notify you that my husband of 65 years Howard Dunbar passed away from heart issues on March 27th after spending a week in Milford Regional Hospital. Howard was a great admirer of the ENE 99s and all the women we had met over my long time membership. I am

sure that he is on a great new adventure.
