99s: Women Pilots of Eastern New England

A great Holiday idea, borrowed from the Treasure Island Chapter by Jessie Zuberek.

Cookies for Controllers:

1. **Identify towers, flight schools, FBOs, etc. that you will visit. If there are possible overlaps with other members, reach out and coordinate the deliveries.**
2. **VERY IMPORTANT! Contact local towers for authorization and coordination (you can't just show up at the Tower!)**
3. **Bake or buy your favorite cookies/sweets.**
4. **Pack up your package**
    a. **Shirt boxes/gift boxes from the dollar stores work great as cookie boxes. They are affordable and you can often find holiday motifs in the stores this time of year.**
    b. **Festive outfits/costumes are encouraged at the cookie deliveries – make for great pictures and everyone loves it!**
    c. **Create a *Certificate of Appreciation* for each delivery. Maybe have a couple of extra's just in case. Add your tail #, if applicable, so they'll "recognize" you.**
5. **Deliver cookies. Dress in your most colorful and fun holiday outfits!**
6. **Please take pictures, if allowed, and share! Some Tower staff/management allow pictures, some don't.**
